Google API's

- ▶ Google directions API
- ▶ Google street view API
- ▶ Google places API
- ▶ Google map

The image displays four distinct Google API interfaces side-by-side:

- Map:** A detailed map of Dublin, Ireland, showing major roads like the M50 and R102, landmarks such as the National Botanic Gardens and DCU - Dublin City University, and neighborhoods like Drumcondra, Marino, and Stoneybatter.
- Street View:** A thumbnail image showing a view from a Google Street View camera, likely at a cafe.
- Directions:** A panel showing driving directions from "Coppinger Row" to "19-20 Forest Park, Greenbatter, Drogheda, Co. Louth, Ireland". The route is 55.2 km long and takes about 55 minutes, involving several turns and stops.
- Chat:** A panel with a "message" input field and a "Send" button.
